

# Groote Eylandt Lodge

## About Groote Eylandt

With stunning rainforests, swimming holes and tropical landscapes, Groote Eylandt is a spectacular destination situated on 25 acres of waters edge grounds, overlooking the Gulf of Carpentaria.

The prime, virtually unfished water surrounding the lodge is home to some of the most prized species in the world: marlin and sailfish, hard-hitting blue water species, plucky reef fish and the iconic barramundi.

## A perfect destination for corporate retreats.

Located just a 90 minute flight from Darwin, Groote Elyandt Lodge offers versatile conference facilities, deluxe bungalow accommodation, resort style pool, restaurant, and an array of local activities, providing an ideal setting for your conference, event or incentive retreat.
