### GETTING TO THE AIRPORT BY TRAIN

It takes 25 minutes to travel from Wynyard Train Station to the Airport Terminals.

### PUBLIC TRANSPORT

Public transport is one of the easiest and most affordable ways to travel around the Sydney metropolitan area and greater New South Wales. To use the network, you'll need to either purchase an Opal Card or use a contactless credit card, debit card or mobile device.

Opal cards are the easiest way to explore Sydney including Sydney Fish Market, Bondi Beach, Manly, Taronga Zoo, Sydney Olympic Park and the Blue Mountains by trains, buses, ferries and light rail. They are convenient and easy to use, you just tap on and tap off wherever you want to go.

You can buy an Opal Card at a convenience store, 3 mins walk away.  
\$20 for Adult. \$10 for Child/Youth.

Train services run from 4am to around midnight on most train lines. All stations on the network have 24 hour ticket vending machines. Single and return tickets can only be bought at these machines. Trains to Bondi Junction enroute to the famous Bondi Beach leave from Martin Place Station. Your nearest train station is Wynyard and takes about 10 minutes to get there. Wynyard is also on the Airport Link and takes about 25 minutes to reach Sydney Airport.

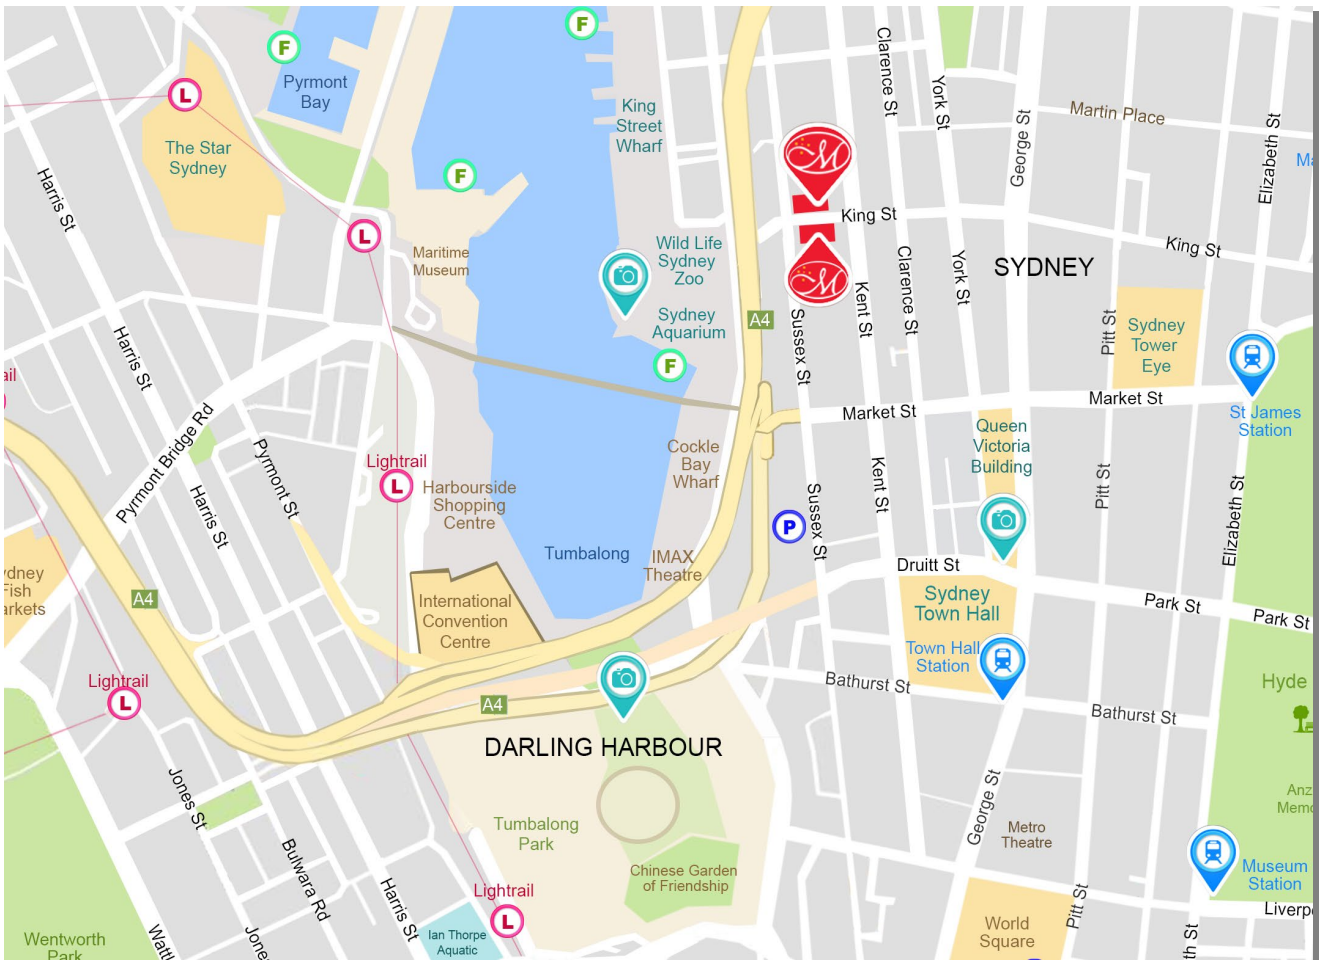

For travelling by ferry, services to Taronga Zoo leave from Circular Quay and takes 10 minutes to get there. Your nearest ferry service is at King Street Wharf 3 which goes to Circular Quay or Parramatta via Sydney Olympic Park. Services from King Street Wharf to the Quay takes about 12 minutes. Information kiosks are located at Circular Quay.

## LIGHT RAIL SERVICES

Your nearest light rail stop is Pymont Bay.

Operate daily every 15 minutes and goes to Sydney Fish Market.

There is a 24 hour service from Central to The Star Casino every 15 minutes.

## TROUBLESHOOTING

### HEATING / COOLING IN THE APARTMENT

In all of the apartments there is an air conditioner. The remote is located on ground level near the air conditioner. It can be set to cool or heat the apartment to your desired temperature. If the A/C isn't working, it is likely the circuit breaker has tripped. To fix this you need to open the cupboard where the circuit breaker is in the kitchen; it is located in the top kitchen cupboard next to the fridge. Need to make sure all of the switches are in the on position, pointing up.
